Multi-interface Ports

Support USB/Flash-disk

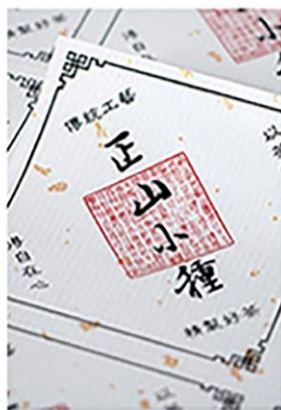

PARAMETERS

Model	FS350DC
Max cutting width	330mmA3+
Max paper width	350mm
Max cutting force	0-1000g
Max cutting speed	0-1500mm/s
Blade	Roland
Cutting accuracy	±0.01mm
Memory size & Motor	256MB memory,AC Servo motor
Feeding method	Automatic
Max sheets load	100 sheets
Contour cutting	Yes, With CCD camera
Power	50w
Interface	USB,USB-Driver
Touch Panel parameters	5.5"HD 1920*1080dpi
Software	SignMaster,compatible with CorelDRAW, AI
Machine size	L805*W465*H250 (Without tray)
Weight	46.35kg
Warranty period	1 Year

SAMPLES

Suitable for cutting all kinds of self-adhesive labels
